Reference: Amended Year End Report (11/28/06-12/31/06), received 9/4/07

Dear Mr. Ward:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-The beginning cash balance of this report should equal the ending balance of your Amended 30 Day Post-General Report (10/19/06-11/27/06), received 8/17/07. Please clarify this discrepancy and amend any subsequent report(s) that may be affected by this correction.

-The totals listed on Lines 7, 21(b), 21(c), 31, and 32, Column B of the Summary and Detailed Summary Page(s) appear to be incorrect. Please be advised that you should add the "Calendar Year-to-Date" total from your previous report to the current "Total This Period" figure from Column A to derive the correct Column B totals. Please amend your report and any subsequent reports that may be affected by this correction.

-Schedule C of your report discloses an outstanding loan from a lending institution with an interest rate of LIBOR + 175. According to the Form 99 filed by your committee on 7/2/07 in response to the letter for the Year End Report (11/28/06-12/31/06), "The interest owed has been added to the debt schedule." However, your amended report does not disclose any interest payments or carry the interest due on this loan as a debt. Please note that outstanding accrued interest on loans must be reported on Schedule D, while interest payments made on loans must be reported as operating
